

Wicklund Science Olympiad Invitational

January 26, 2019

Science Olympiad teams are invited to participate in the Wicklund Science Olympiad Invitational Tournament.

Where: Wicklund Elementary School, 300 E. Legacy Drive, Mountain House, CA 95391.

Number of Teams: We are planning accepting registration forms for 32 Division B teams. Each school can register up to 2 teams.

Running Events: Each competing team will be responsible for running an event. This includes writing the tests, bringing all necessary equipment and materials for the event, scoring the tests, etc... Please ensure you have a strong event supervisor available for any event you are volunteering to run. All event supervisors must submit a digital copy of their events (tests and keys) one week prior to the tournament. The test and keys will be put on a flash drive to be given to each school after the awards ceremony. Each team will receive a folder containing all the tests that were given at the tournament.

Events: We will run all events for Division B the day of the tournament.

Rules: All rules for Science Olympiad competitions apply.
